Following the latest release of Chef's Table focusing on all things pizza, Brian will be sharing his expertise and excitement on this seemingly simple dish. So book your seat, come by and have a bottle of wine or two, eat a pizza created by Brian, and meet this brilliant and wonderfully interesting man.

### **28/8 Weinskandal meets Hoons**

Weinskandal needs almost no introduction, for those who are natural wine lovers in and around Austria. Founded by Moritz, it has been a prominent platform promoting the "natural wine" scene through a wide and fun range of vintners. On August 26, Verena, Moritz, and Stephan, will be pouring some of their favorite libations while we cook Singaporean snacks and food. Expect a big and fun selection of wines by the glass,

### **04/9 Whole Bird Ramen Night**

Following our ethos of buying whole animals and cooking nose to tail, we bring you our second ramen night! Come by and enjoy some gyozas, slurp up some nourishing house-made noodles with a rich chicken broth! Vegetarian options will also be available.

### **11/9 Ash Lee Chung King Noodles**

Ash Lee, a good friend and great chef, is originally from Shanghai but has found a home in Berlin where she serves up some deliciously tongue-tingling szechuan noodles at Chung King Noodles for all you lucky Berliners. Although she is famous for her spicy noodles, her repertoire of Chinese cooking goes far beyond that dish. For one evening, Ash will be preparing dishes inspired by a chinese banquet feast, something reserved normally for special occasions and celebrations!
